YES Are **one** paper copy and **one** electronic copy of the audit report being submitted as required by Auditor General Rule 10.558(3)?

YES Is the electronic copy named using all lower case letters as follows: [fiscal year] [name of entity].pdf. Counties should include the word "county" in the entity name; however, it is not necessary for municipalities to include "city of," "town of," etc. in the entity name. For example, the converted document for the 2013-14 fiscal year for Alachua County should be named 2014 alachua county.pdf while the converted document for the 2013-14 fiscal year for the City of Alachua should be named 2014 alachua.pdf.

YES Is the audit report being submitted within 45 days after receipt of the audit report from the auditor, but no later than **9 months** after the end of the fiscal year? **NOTE:** There are no provisions in the statutes for any extensions for filing the audit report.

Yes If the audit report is for a county or municipality, and a dependent special district was audited as part of the county or municipality audit, did the notes to financial statements clearly indicate that the special district had been included as part of the county's or municipality's reporting entity? **NOTE:** Pursuant to Section 218.39(3), Florida Statutes, an independent special district may not be audited as part of a county or municipality audit. When a dependent special district is audited as part of the county or municipality audit, the county or municipality notes to financial statements should clearly disclose that the special district is a component unit included within the county's or municipality's reporting entity.
